@RE4Industry EU project

# RE4iINDUSTRY

Renewable energies for industries

# 100% RENEWABLE ENERGIES FOR ENERGY INTENSIVE INDUSTRIES

## AIMS OF THE PROJECT

[www.re4industry.eu](http://www.re4industry.eu)

RE4Industry aims to support **energy-intensive industries** in their transition into **renewable energy** and prepare the EU industrial sector for that change

### 100% Renewable

A thoughtful review of RE technologies and options for a 100% RE production by 2050

### Industry insights

Insights into industry retrofitting and promotion of RE integration

### Engagement

A strong engagement strategy following a multiactor approach

### Dialogue

A dialogue with and within EIs and EI organizations

### Policy and advocacy

Recommendations for the uptake of RE by EIs and advocacy and to policy makers
